## From the CEO's Desk

Dear Reader,

Government has been trying to woo the Indians for paying taxes by giving many facilities and by making the process simple and faster. Also under 'tax window', government is trying to pull out all the black money, which is laying unproductive vis-à-vis trying to control money drain to overseas. This all we already know, what is new here is about how Government is planning to educate kids young about taxes and how it helps the government to work more efficiently. Income tax department has chalked out a Central Action Plan for 2016-17 to visit schools and meeting students to talk about income tax and other taxes. As per the Plan, young tax officers are to be deputed to visit schools and talk to the children in morning assemblies or otherwise. The officials would be using power point presentations and historical stories to show how the concept of taxation is a very old one and how/why, it is relevant even today. The seriousness of the plan is shown by the frequency and timeline created to do the job. And that is not all visits of students, in batches of 20 to 25; to income tax offices are also to be organized. The student age group targeted for this purpose is 16-18 years. Again the periodicity of such visits has been fixed. And this will not only include government schools but private and convent schools would also be part of the initiative.

On the other hand government is epitomizing by starting awards for CSR (Corporate Social Responsibility) activities done by the corporate as a social incentive. The Corporate Affairs Ministry, which is implementing the Companies Act, is working on the idea of having such awards. Under the Act, a certain class of profitable companies is required to shell out at least 2 per cent of their 3-year average annual net profit towards CSR works. Officials said the ministry is proposing to institute the awards for CSR activities across eight sectors, including education, health and environment. The aim is to incentivise companies to carry out more CSR works

that can help in overall development activities, they added.

Following the monsoon we should have the financial year was a topic of consideration amongst the government officials and think tanks for making policies. But it seems after having the expert advices by the committee appointed to see the feasibility of the change of financial year the argument goes like this; It is not only disruptive in nature but also not feasible and a costly affair at the same time. ASSOCHAM the business body also advised not to do so.

**BRIEF:** Waiver of pre-deposit - the submission of the learned counsel for the petitioner is that the petitioner should be permitted to go before the Tribunal with a direction to the Tribunal to take up the stay application, thereby bypassing the pre-deposit condition, which has been made mandatory with effect from 6.8.2014. Submission cannot be acceded to –

**OUR TAKE:** The hon'ble **MADRAS HIGH COURT** held that the Court is of the view that the relief sought for to direct the petitioner to approach the Tribunal and file a stay application with a further direction to the Tribunal to hear the same thereby waiving the condition of pre-deposit of 7.5%, cannot be acceded to. - Accordingly, the writ petition is dismissed as not maintainable. [**Decided against the petitioner**]

#### GUJARAT STATE FERTILIZERS AND CHEMICALS LTD. VERSUS THE COMMISSIONER OF CENTRAL EXCISE, CUSTOMS AND SERVICE TAX, SURAT-II [GUJARAT HIGH COURT]

**BRIEF:** Cenvat Credit on input services. Service Tax paid on commission amount paid to dealers/stockist, nexus with manufacturing activity. Payment to the agents appointed by the appellant would not be eligible for Cenvat credit

**OUR TAKE:** The hon'ble **GUJARAT HIGH COURT** held that predominantly the entire agreement was one in the nature of appointing a partnership firm as stockist of the appellant company who would upon being supplied the goods in question would store the same and dispose of in the market at agreed rates upon which would receive certain commission. A fleeting reference to attempt to sales promotion would not change the very basic nature of agreement and the relations between the appellant and the stockist converting the stockist as sales promotion agent. Payment to the agents appointed by the appellant would not be eligible for Cenvat credit. [**Decided against the assessee**]

#### THE LAKE PALACE HOTEL AND MOTELS P LTD. VERSUS COMMISSIONER OF CENTRAL EXCISE, JAIPUR II AND VICE-VERSA [CESTAT NEW DELHI]

**BRIEF:** Renting of immovable property on profit sharing basis. Demand of service tax on renting including on notional interest received on the security deposit made with the appellants. Appellant is not liable to pay service tax under the renting of immovable property service.

**OUR TAKE:** The Hon'ble **CESTAT NEW DELHI** held that the issue has already been settled in appellants own case for earlier period, that the appellant is not liable to pay service tax under the category of renting of immovable property service as leasing out the property to Hotel under the deemed provision of section 65 (105) (zzz) of the Finance Act, 1994. Therefore, we hold that appellant is not liable to pay service tax under the renting of immovable property service. Further, appellant are not liable to pay service tax on the notional interest accrued on the security deposit. Demand set aside. [**Decided in favour of assessee**]

#### M/S JUMERA PROMOTORS AND DEVELOPERS PVT LTD VERSUS COMMISSIONER OF CENTRAL EXCISE, DELHI [CESTAT NEW DELHI]

**BRIEF:** Renting of farmhouse. Whether appellant is liable to pay service tax under the category of "Renting of Immovable Property Service". Scope of the lease deed, prima facie, the same is not taxable.

**OUR TAKE:** The hon'ble **CESTAT NEW DELHI** held that the property is leased out for residential purpose and for the employees of the lessee. We find that the lessee also issued certificate to certify that the premises was never used except for residential purposes. Moreover, electricity bills and property tax returns also support the case of the appellant. Revenue has not produced any contrary evidence to the evidence produced by the appellant. Therefore, prima facie, we are of the view that the demand confirmed under the category of "Renting of Immovable Property Service" is not sustainable. [**Stay granted**]

#### M/S DABUR RESEARCH FOUNDATION VERSUS COMMISSIONER OF CENTRAL EXCISE AND SERVICE TAX, GHAZIABAD [CESTAT ALLAHABAD]

**BRIEF:** Supply of tangible goods. Revenue was of the view that allowing use of such capital assets amounts to providing of services, namely, "supply of tangible goods" service. Stay granted partly.

**OUR TAKE:** The hon'ble **CESTAT ALLAHABAD** held that considering that the appellants have paid VAT on the transaction it will be in the interest of justice to allow stay of the recovery subject to deposit of Rs Three Lakhs only within eight weeks of this order. **[Stay granted partly]**

**DINESH M. KOTIAN VERSUS COMMISSIONER OF CENTRAL EXCISE & SERVICE TAX-I, MUMBAI AND VICA-VERSA [CESTAT MUMBAI]**

**BRIEF:** Business Auxiliary service or not. Activity of collection/dispatch of Speed Post/Export Delivery Letter etc. on behalf of the Post Office. Demand is dropped on the ground of Revenue neutral exercise.

**OUR TAKE:** The humble **CESTAT MUMBAI** held that it is clear that if the assessee pays service tax, it shall be available, as Cenvat credit to the postal department and to that extent net liability of service tax shall stand reduced while paying the service tax by the postal department. Therefore, it is an exercise of revenue neutral for this reason demand does not exist. We, therefore, drop the demand on the point of revenue neutrality without addressing the issues of taxability of service tax and limitation. **[Decided in favour of assessee]**

**BANK OF BARODA VERSUS COMMISSIONER OF SERVICE TAX, MUMBAI-I [CESTAT MUMBAI]**

**BRIEF:** Classification of Import of services from M/s. Society for Worldwide Interbank Financial Telecommunication (SWIFT) which is a non-resident entity, not having an office in India - reverse charge. Demand conformed invoking the extended period of limitation.

**OUR TAKE:** The hon'ble **CESTAT MUMBAI** held that both provisions have separate ingredients. In the present case the appellant has not disclosed the data related to service charges paid to SWIFT to the department. Therefore, as there is a suppression of the fact on the part of the appellant, proviso to Section 73(1), gets correctly invoked. Demand conformed invoking the extended period of limitation - **[Decided partly in favour of assessee]**

**COMMISSIONER OF CENTRAL EXCISE, NASIK VERSUS MEGA ENTERPRISES [CESTAT MUMBAI]**

**BRIEF:** Nature of activity. Collection of Octroi on behalf of the Municipal Corporation. Cash management activity or not. Not covered by Banking and other Financial Services, revenue's appeal rejected.

**OUR TAKE:** The hon'ble **CESTAT MUMBAI** held that the amount collected excess of contracted amount and retained by the assessee in respect of transit fees is not covered under the category of "banking and other financial services'. Since the issue is decided in favour of the respondent-assessee in this appeal, we find no merit in the appeal filed by the Revenue, hold that the impugned order is correct and legal, and does not suffer from any infirmity. **[Decided against Revenue]**

**OUR TAKE:** The hon'ble **AAR** held that applicant is eligible to avail Cenvat Credit of Excise Duty under the Central Excise Act, 1944 / Additional Duty of Excise under Section 3(1) of the Customs Tariff Act, 1975 paid on parts and spares used for their replacement of the defective ones and Service Tax paid on inspection, Certification and engineering services etc. for the aforesaid repair and maintenance activities and claim set off against the output service tax paid for rendering of passive infrastructure service by the applicant to its customers.

**POWER LINK SYSTEM PRIVATE LIMITED VERSUS COMMISSIONER OF CENTRAL EXCISE, COIMBATORE [CESTAT CHENNAI]**

**BRIEF:** So long as the commission paid is not disputed, which can even be verified from the bank statements or certificates from the bank, rejection of claim for want of quantification of commission paid is not legally tenable.

**OUR TAKE:** The hon'ble **CESTAT CHENNAI** held that claim of refund under Cenvat Credit Rules is part of the export promotion scheme without properly examining the records, such benefits cannot be denied, since the Assistant commissioner, who had passed the order-in-original, can properly verify the records in question. I, therefore, remand the entire matter to the original authority for examining the issue afresh. **[Appeal disposed of]**

ER return submitted by the appellant along with refund application is sufficient to grant refund to the appellant.

**OUR TAKE:** The hon'ble CESTAT NEW DELHI held that the rejection of refund claim by the Id. Commissioner is on account of misinterpretation of the rules governing the refund. The ER return submitted by the appellant along with refund application is sufficient to grant refund to the appellant. The judgments cited at the bar by the Id. counsel for the appellant are fully applicable in the facts and circumstances of this case. In view of the facts and circumstances enumerated, set aside the impugned order and direct the respondent to grant refund within a period of two months from the receipt of the certified copy of the order. #### PERFECT THREAD MILLS LTD. VERSUS COMMISSIONER OF CENTRAL EXCISE, JAIPUR-II (CESTAT NEW DELHI)

**BRIEF:** Dutiability and classification of Polyester Sewing Thread. The Dutiability does not arise by virtue of the fact the definition of Sewing Thread was provided for in certain headings, but by virtue of the fact that the process of making Sewing Thread out of single thread/yarn is a process of manufacture under Section 2(f).

**OUR TAKE:** The hon'ble CESTAT NEW DELHI held that the Polyester Sewing Thread is distinctly known in the market and the yarn purchased by the appellant apparently cannot be marketed or used as the Sewing Thread. The Dutiability does not arise by virtue of the fact the definition of Sewing Thread was provided for in certain headings, but by virtue of the fact that the process of making Sewing Thread out of single thread/yarn is a process of manufacture under Section 2(f). In view of the above discussion, we find that there is no ground to interfere with the findings of the learned Commissioner (Appeals) and accordingly we dismiss the appeal. [Decided against the assessee]

Prior to that date, the classification was sought to be made under 7308 90: as 'Misc.' 'other articles of iron and steels'. Hence, held that these goods are not excisable. i.e. 1.3.2003, there was no liability to pay duty on that date, as the amendment occurred only on 28.02.2005. In our considered opinion, in the present case, there is no liability to pay interest. **OUR TAKE:** The hon'ble CESTAT NEW DELHI held that that the allegation in the show cause notice that steel items used by the appellant are neither components nor spares nor accessories is not sustainable. Applying the principle of "user test" laid down by the Hon'ble Supreme Court in Jawaharlal Mills case (SUPREME COURT OF INDIA) the angles, beams and channels used in the making and fabrication of these capital goods are found eligible for Cenvat credit. **[Decided in favour of assessee]**

Similarly, as the authorization by the Committee of Commissioners of Central Excise is not found in the impugned order, it must be observed that the impugned order passed by the CESTAT is correct, legal and proper. Hence, we are of the considered view that the impugned order passed by the learned CESTAT being valid, legal and proper, cannot be interfered with.
