From the CEO's Desk

Dear Reader,

Government has formally notified the GST Council, which will decide on the tax rate, exempted goods and the threshold under the new taxation regime. The council will be chaired by Union Finance Minister and have Minister in charge of Finance or Taxation or any other Minister nominated by each State Government as its member. Also Minister of State in charge of Revenue or Finance at the Centre would be a member.

The Union Cabinet had approved setting up of all powerful GST Council, which is expected to thrash out a decision on all major aspects of GST roll out by November 22. The first meeting of the GST Council will be held on September 22-23.

The government is planning to introduce GST legislations — Central GST (CGST) and Integrated GST (IGST) — in Winter Session of Parliament in November. The legislation would mention the tax rate, exempted goods and also the threshold. Prime Minister Narendra Modi too has directed all officers to ensure that steps are taken to stick to the April 2017 roll out date.

In his meeting with top revenue department officials yesterday, Modi said the GST Council would need to have intensive meetings to be able to make timely recommendations relating to its mandate, including proposals relating to Model GST laws, GST rates, goods and services that may be subjected to or exempted from GST.

The Constitution (122nd Amendment) Bill, 2016, for introduction of the goods and services tax in the country was accorded assent by the President on September 8 and the same has been notified as the Constitution (One Hundred and First Amendment) Act, 2016.

As per Article 279A (1) of the amended Constitution, the GST Council has to be constituted by the President within 60 days of the commencement of Article 279A.

The notification for bringing into force Article 279A with effect from September 12, 2016 was issued on September 10, 2016. The government is keen to implement the biggest tax reform since Independence from April 1, s so as to ensure a smooth rollover to the changed tax structure from the beginning of the new fiscal and avoid mid-year alterations.

SERVICE TAX

COURT DECISIONS

THE PRINCIPAL COMMISSIONER OF SERVICE TAX, CUSTOMS, CENTRAL EXCISE & SERVICE TAX, HYDERABAD SERVICE TAX COMMISSIONERATE, HYDERABAD VERSUS M/S. R.R. GLOBAL ENTERPRISES PVT. LTD.[ANDHRA PRADESH HIGH COURT]

BRIEF:Refund claim - service tax paid on the transport of goods by road (GTA) services - Notification No.41/2007-ST - condition No.3 in the exemption notification, is also the substance or essence of the exemption notification and the compliance with the same is mandatory.

OUR TAKE:The hon'bleANDHRA PRADESH HIGH COURTheld thatthe compliance with the requirements of such a system alone will remove any kind of arbitrary exercise of power. The Courts are obliged to interpret notifications of this nature, in such a manner that the power of discretion is reduced to the minimum. Therefore, the second substantial question of law is also to be answered in favour of the Revenue by holding that condition No.3 in the exemption notification, is also the substance or essence of the exemption notification and the compliance with the same is mandatory. [Decided in favour of Revenue]

GUJARAT STATE FERTILIZERS AND CHEMICALS LTD. VERSUS THE COMMISSIONER OF CENTRAL EXCISE, CUSTOMS AND SERVICE TAX, SURAT-II[GUJARAT HIGH COURT]

BRIEF:Cenvat Credit on input services. Service Tax paid on commission amount paid to dealers/stockist, nexus with manufacturing activity. Payment to the agents appointed by the appellant would not be eligible for Cenvat credit

OUR TAKE:The hon'bleGUJARAT HIGH COURTheld thatpredominantly the entire agreement was one in the nature of appointing a partnership firm as stockist of the appellant company who would upon being supplied the goods in question would store the same and dispose of in the market at agreed rates upon which would receive certain commission. A fleeting reference to attempt to sales promotion would not change the very basic nature of agreement and the relations between the appellant and the stockist converting the stockist as sales promotion agent.Payment to the agents appointed by the appellant

THE LAKE PALACE HOTEL AND MOTELS P LTD. VERSUS COMMISSIONER OF CENTRAL EXCISE, JAIPUR II AND VICE-VERSA [CESTAT NEW DELHI]

BRIEF:Renting of immovable property on profit sharing basis. Demand of service tax on renting including on notional interest received on the security deposit made with the appellants. Appellant is not liable to pay service tax under the renting of immovable property service.

OUR TAKE:The Hon'bleCESTAT NEW DELHIheld that the issue has already been settled in appellants own case for earlier period, that the appellant is not liable to pay service tax under the category of renting of immovable property service as leasing out the property to Hotel under the deemed provision of section 65 (105)(zzz) of the Finance Act, 1994. Therefore, we hold that appellant is not liable to pay service tax under the renting of immovable property service. Further, appellant are not liable to pay service tax on the notional interest accrued on the security deposit. Demand set aside.[Decided in favour of assessee]

M/S JUMERA PROMOTORS AND DEVELOPERS PVT LTD VERSUS COMMISSIONER OF CENTRAL EXCISE, DELHI [CESTAT NEW DELHI]

BRIEF:Renting of farmhouse. Whether appellant is liable to pay service tax under the category of "Renting of Immovable Property Service". Scope of the lease deed, prima facie, the same is not taxable.

OUR TAKE:The hon'ble CESTAT NEW DELHI held that the property is leased out for residential purpose and for the employees of the lessee. We find that the lessee also issued certificate to certify that the premises was never used except for residential purposes. Moreover, electricity bills and property tax returns also support the case of the appellant. Revenue has not produced any contrary evidence to the evidence produced by the appellant.Therefore, prima facie, we are of the view that the demand confirmed under the category of "Renting of Immovable Property Service" is not sustainable. [Stay granted]

M/S DABUR RESEARCH FOUNDATION VERSUS COMMISSIONER OF CENTRAL EXCISE AND SERVICE TAX, GHAZIABAD[CESTAT ALLAHABAD]

BRIEF:Supply of tangible goods. Revenue was of the view that allowing use of such capital assets amounts to providing of services, namely, "supply of tangible goods" service. Stay granted partly. `

OUR TAKE:The hon'ble CESTAT ALLAHABAD held that considering that the appellants have paid VAT on the transaction it will be in the interest of justice to allow stay of the recovery subject to deposit of Rs Three Lakhs only within eight weeks of this order. [Stay granted partly]

DINESH M. KOTIAN VERSUS COMMISSIONER OF CENTRAL EXCISE & SERVICE TAX-I, MUMBAI AND VICA-VERSA[CESTAT MUMBAI]

BRIEF:Business Auxiliary service or not. Activity of collection/dispatch of Speed Post/Export Delivery Letter etc. on behalf of the Post Office. Demand is dropped on the ground of Revenue neutral exercise.

OUR TAKE:The humble CESTAT MUMBAI held that it is clear that if the assessee pays service tax, it shall be available, as Cenvat credit to the postal department and to that extent net liability of service tax shall stand reduced while paying the service tax by the postal department. Therefore, it is an exercise of revenue neutral for this reason demand does not exist. We, therefore, drop the demand on the point of revenue neutrality without addressing the issues of taxability of service tax and limitation. [Decided in favour of assessee]

BANK OF BARODA VERSUS COMMISSIONER OF SERVICE TAX, MUMBAI-I [CESTAT MUMBAI]

BRIEF: Classification of Import of services from M/s. Society for Worldwide Interbank Financial Telecommunication (SWIFT) which is a non-resident entity, not having an office in India - reverse charge. Demand conformed invoking the extended period of limitation.

OUR TAKE:The hon'ble CESTAT MUMBAI held that both provisions have separate ingredients. In the present case the appellant has not disclosed the data related to service charges paid to SWIFT to the department. Therefore, as there is a suppression of the fact on the part of the appellant, proviso to Section 73(1), gets correctly invoked. Demand conformed invoking the extended period of limitation - [Decided partly in favour of assessee]

COMMISSIONER OF CENTRAL EXCISE, NASIK VERSUS MEGA ENTERPRISES[CESTAT MUMBAI]

BRIEF:Nature of activity. Collection of octroi on behalf of the Municipal Corporation. Cash management activity or not. Not covered by Banking and other Financial Services, revenue's appeal rejected

OUR TAKE:The hon'ble CESTAT MUMBAI held that the amount collected excess of contracted amount and retained by the assessee in respect of transit fees is not covered under the category of "banking and other financial services". Since the issue is decided in favour of the respondent-assessee in this appeal, we find no merit in the appeal filed by the Revenue, hold that the impugned order is correct and legal, and does not suffer from any infirmity. [Decided against Revenue]

M/S INDUS TOWERS LIMITED VERSUS THE COMMISSIONER OF CENTRAL EXCISE [AAR]

BRIEF:Nature of activity of repair and maintenance of the equipment is so that the same can be re-used without requiring replacement. The activity is not amounting to manufacture. Cenvat Credit of excise duty paid on inputs is eligible while paying service tax on inspection, Certification and engineering services etc.

OUR TAKE:The hon'ble AAR held that applicant is eligible to avail Cenvat Credit of Excise Duty under the Central Excise Act, 1944 / Additional Duty of Excise under Section 3(1) of the Customs Tariff Act, 1975 paid on parts and spares used for their replacement of the defective ones and Service Tax paid on inspection, Certification and engineering services etc. for the aforesaid repair and maintenance activities and claim set off against the output service tax paid for rendering of passive infrastructure service by the applicant to its customers.

POWER LINK SYSTEM PRIVATE LIMITED VERSUS COMMISSIONER OF CENTRAL EXCISE, COIMBATORE [CESTAT CHENNAI]

BRIEF:So long as the commission paid is not disputed, which can even be verified from the bank statements or certificates from the bank, rejection of claim for want of quantification of commission paid is not legally tenable.

OUR TAKE:The hon'ble CESTAT CHENNAI held that claim of refund under Cenvat Credit Rules is part of the export promotion scheme without properly examining the records, such benefits cannot be denied, since the Assistant commissioner, who had passed the order-in-original, can properly verify the records in question. I, therefore, remand the entire matter to the original authority for examining the issue afresh. [Appeal disposed of]

GOYAL M.G. GASES PVT. LTD. VERSUS COMMISSIONER OF C. EX. & S.T., CHANDIGARH(CESTAT NEW DELHI)

BRIEF: Gas filing activity. Whether the activity undertaken by the appellant amounts to manufacture? Gas is already marketable in its original form and the activity undertaken by the appellant does not render the gas marketable, which is already marketable. Demand of duty set aside.

OUR TAKE: The hon'ble CESTAT NEW DELHI held that the gas is already marketable in its original form and the activity undertaken by the appellant does not render the gas marketable, which is already marketable. M/S NEELAM STEELS, SHRI R.P. HANDA VERSUS COMMISSIONER OF CENTRAL EXCISE, LUDHIANA.[CESTAT NEW DELHI]

BRIEF: Refund of unutilised Cenvat credit. Refund claim denied on the ground that in terms of Rule 11(2) of Cenvat Credit Rules, 2004, unutilised credit would lapse on closure of the unit. ER return submitted by the appellant along

with refund application is sufficient to grant refund to the appellant.

OUR TAKE: The hon'ble CESTAT NEW DELHI held that the rejection of refund claim by the Id. Commissioner is on account of misinterpretation of the rules governing the refund. The ER return submitted by the appellant along with refund application is sufficient to grant refund to the appellant. The judgments cited at the bar by the Id. counsel for the appellant are fully applicable in the facts and circumstances of this case. In view of the facts and circumstances enumerated, set aside the impugned order and direct the respondent to grant refund within a period of two months from the receipt of the certified copy of the order. [Decided in favour of assessee]

PERFECT THREAD MILLS LTD. VERSUS COMMISSIONER OF CENTRAL EXCISE, JAIPUR-II(CESTAT NEW DELHI)

BRIEF: Dutiability and classification of Polyester Sewing Thread. The Dutiability does not arise by virtue of the fact the definition of Sewing Thread was provided for in certain headings, but by virtue of the fact that the process of making Sewing Thread out of single thread/yarn is a process of manufacture under Section 2(f).

OUR TAKE: The hon'ble CESTAT NEW DELHI held that the Polyester Sewing Thread is distinctly known in the market and the yarn purchased by the appellant apparently cannot be marketed or used as the Sewing Thread. The Dutiability does not arise by virtue of the fact the definition of Sewing Thread was provided for in certain headings, but by virtue of the fact that the process of making Sewing Thread out of single thread/yarn is a process of manufacture under Section 2(f). In view of the above discussion, we find that there is no ground to interfere with the findings of the learned Commissioner (Appeals) and accordingly we dismiss the appeal. [Decided against the assessee]

COMMISSIONER OF CENTRAL EXCISE, INDORE VERSUS M/S. NATIONAL STEEL INDUSTRIES LTD. [CESTAT NEW DELHI]

BRIEF: Classification - manufacture - change in the scope of tariff entries - iron and steel structures like trusses, columns, staircase, windows and section etc. - These steel structures are commonly known as component parts of building/ shed. - these goods are not excisable.

OUR TAKE: The hon'ble CESTAT NEW DELHI held that the clear and specific classification of the impugned items was available with effect from 1.3.1988. Prior to that date, the classification was sought to be made under 7308 90: as 'Misc.' 'other articles of iron and steels'. Hence, held that these goods are not excisable. OUR TAKE: The hon'ble **CESTAT NEW DELHI** held that the allegation in the show cause notice that steel items used by the appellant are neither components nor spares nor accessories is not sustainable. Applying the principle of "user test" laid down by the Hon'ble Supreme Court in Jawaharlal Mills case (SUPREME COURT OF INDIA) the angles, beams and channels used in the making and fabrication of these capital goods are found eligible for Cenvat credit.[Decided in favour of assessee]

**THE COMMISSIONER, CENTRAL EXCISE, CUSTOMS &

LIMITED(ORISSA HIGH COURT)**

BRIEF: Compliance of sub-section (2) of Section 35B of the Central Excise Act, 1944 - Authorisation made in Annexure-3 of the affidavit filed by the appellant to prefer appeal without same being filed along with appeal is surely an incurable defect and the same cannot be rectified by filing an authorization letter.

OUR TAKE:The hon'ble **ORISSA HIGH COURT** held that the authorization by the Committee of Commissioners of Central Excise is not found in the impugned order, it must be observed that the impugned order passed by the CESTAT is

correct, legal and proper. Hence, we are of the considered view that the impugned order passed by the learned CESTAT being valid, legal and proper, cannot be interfered with.

But there has to be a decision and appropriate categorization or norms for taking a decision as to in which case FIR be uploaded and in which it is not be uploaded. The State can come with any such decision which may balance right of information available to the public in general and interest of the State. We are thus of the opinion that petitioner has made out a case for issuing directions to the State to consider all aspects of the matter and take appropriate decision regarding uploading of the FIR in the police website with all details regarding its operation and mechanism.

GST COUNCIL

IMPACT OF GST ON HOTEL AND TOURISM INDUSTRY

After getting the Presidential approval, the 122 constitutional amendment bill is now entering the final phase. The final drafting of the CGST and IGST law is being done at the Centre level, while the states are concentrating on the SGST law. All the three laws are to be tabled in the winter session of the Parliament for approval. The GST council will also present the GST rate and the exempt items list besides other critical details. The government is on its toes to work out the implementation of the GST bill from April 2017. The various sectors have been working on the aspects of the GST bill and analysing the impact of the same. Let us review how the GST is likely to affect the hotel and tourism industry.

CURRENT SCENERIO

At present, the hotel and tourism industry are impacted by multiple taxes as well as cascading of taxes. The three taxes that are levied are the VAT and luxury tax by the states and the service tax by the Centre. The VAT varies from state to state and the value lies between 12 to 14.5%. Similarly, the luxury tax depends on the room tariff and the state. The value generally varies from nil to 12%. The service tax varies on the type of service. In the case of room tariff, the service tax is applied on 60% of the value or around 8.7% of the total room tariff. For food and beverage bills, 40% of the total bill attracts the service tax. It comes to around 5.8% when considered on the total F&B bill. In the case of marriage ceremonies, conferences and meetings in the hotels a 30%

abatement is given and the effective service tax rate works out to 10.15% on the total charges. When VAT, service tax, and luxury tax are combined the total impact goes up and lies between 20 to 27 per cent.

POST GST

Once GST is implemented, the multiple taxes would be replaced by one single tax, the rate of which is likely to be between 12 to 20 per cent. The hotel and tourism industry would benefit in the form of a lower tax rate which should help in attracting more tourists to India. However, the luxury tax is not applicable on all transactions and the GST rate may be at par or higher in such cases. The hotel industry would definitely prefer a lower GST rate between 10 to 15 per cent.

INPUT SCENARIO POST GST

Another factor that is bothering the hotel and tourism industry is the fact that alcohol and electricity are out of the purview of GST. The taxation on alcohol would be different than the single GST rate. The hotel industry consumes a lot of electricity as a prime consumable and the levy of electricity duty would also not be covered in GST. Thus the hotel and tourism industry would not be able to avail the input credit on the two items in GST.

The hotel and tourism industry spend a lot of money on construction and renovation in order to remain competitive in the changing business environment and to attract customers. The money paid as taxes on the construction activities cannot be used as input credit to set off the taxes paid on the services offered by the hotels, restaurants, and tourism industry. The R&D cess which is applicable on technical know-how fees and franchise agreements in the industry is likely to become a part and parcel of GST. All this is going to simplify the taxation procedure for the hotel and tourism industry.
