**Jo Bole Sonihal Sat Sri Akal..!!**

Starting with this Jaikara..I proceed for the journey of Shri Harmandir Sahib.

The holy city of Amritsar always beckons me after every short interval. There is something about the sights and sounds of Amritsar which tugs at my inner spirituality.

## **GOLDEN TEMPLE**

Religion or faith have no bar here. You could even be non-religious. Yet, the sanctity of Harmandir Sahib, popularly known as Golden Temple will touch your heart. The pure sight of the Gurudwara gives a peaceful and soothing touch to the inner self. The long wait in the queue to get inside the Golden Temple is totally worth it. Have patience as the queue slowly but steadily inches forward towards the Holy Pilgrimage, but it's all worth it because the insides have to be seen and to be believed. Photography isn't permitted inside as the beauty of Gurudwara is enough to appease anyone

## **FOOD**

When it comes to food, what better place can you find than Punjab or say Amritsar!

Punjab is quite famous for the food and Amritsar is one of the best places to witness that. There are many places which offer authentic Punjabi Dishes and all those are literally mouth-watering. Being a foodie, you ought to explore this to the fullest.

I always enjoy food at couple of places whenever I go there, one is "Brothers Dhaba" which is above par than what I had expected in terms of food .

Another place which I always visit for food is "Kesar Dhaba" and this was once suggested by a local person there and it has a lot of variety of Parathas /Kulchas and the taste is unforgettable.

**Makhan Fish And Chicken Corner Since 1962**, This place is a paradise for all the non-vegetarian lovers out there in Amritsar

Established in the year 1935, **Crystal Restaurant in Bhandari Brigde**, Amritsar is a top player in the category Tandoori Restaurants in the Amritsar.

*This is always favourite part of the journey for a foodie..!!!*

Nearby  
There are many attractions nearby Golden temple which are of historical significance

1. Jallianwala Bagh
2. Partition Museum
3. Maharaja Ranjit Singh Museum

Visiting these places surely instigate a feeling

Retreating Ceremony at Wagah Border is a delight to witness.

How's the Josh...feeling dives in and the people just love being part of that ceremony. My Personal experience of this place was just 'awe striking'. I had earlier just seen these on TV or Youtube and stuff like that. But being present there at that very moment to witness all the awesome drills & fun it was just amazing and can certainly touch your heart.

But nothing taking down from trips of mine. I always have a blast of fun and all those out there who have not yet visited Amritsar do put it on your list cause its surely a go-go place at least once.

Cheers!!

## Get together- Team MS

Our Manager, Mr. Mayank Singhal hosted a diwali get together at his place. We all were invited along with our family.

The afternoon began with munching snacks and a bit of leg pulling of each other , followed by games like Tambola, Passing the pass and finally a wholesome lunch.

We had a great time with each other and finally sir bid us a warm diwali wish by giving us beautiful presents.
