# Utthan-Contribution to the society

---

**Utthan** is an NGO associated with ASC Group headed by **Mrs. Anju Agarwal** (Director ASC Group). It focuses on upliftment of the society in varied fields.

The first step towards the welfare in the month of May was awareness about Menstrual Hygiene Management. This initiative was taken on **“Menstrual Hygiene Day” 28<sup>th</sup> April 2019**. The target audience were the women from slums of Harola Village, Noida. The awareness program was followed by **distribution of sanitary pads** and snacks.

More than 200 women and girls participated in the program. We had a great sense of achievement when we saw the women participating in the one-to-one interaction as the purpose was to create awareness and **break their silence**.
