Team Journey to Rishikesh

Hello, ASCians!

Rishikesh is known mighty river Ganga, adventure activities, and centres of philosophical studies, yoga and other ancient Indian traditions of wellness. June 2023 was wonderful with me and my finance team visiting Rishikesh which was worth every bit of it. Let me share this memorable journey with you too.

So, Let's start the journey like you were also there with us.

Day:01

On the first day of our trip, we stopped our car at Haridwar and click some wonderful pictures and made some reels and enjoyed the natural beauty of the holy river Ganga. We then moved to Neelkanth temple, the journey to the temple had a breathtaking scenic view of the surrounding hills and forests. The journey takes about 3.5 hours to reach there.

We all got tired then we decided to get fresh & we booked a hotel near the temple and got fresh then we went to Neelkanth temple for darshan of our Bhole Baba and do you know Neelkanth Mahadev temple is a popular Hindu temple which is situated at a height of 1330 meters.

After Neelkanth Temple we enjoyed Maggie with tea with the most beautiful view of the mountains and Ganga river. But while coming down, we were stuck in traffic being the weekend.

In the traffic, we saw a child coming to us and insisting to buy cucumber, we bought cucumber from her and the smile gave was magical and heart-melting.

Now we reached our resort "Eco Terra Resort" surrounded by beautiful mountains and adventure activities. It was just wonderful being there and we enjoyed activities like dancing, swimming, playing games, clicking pictures and making interesting reels... At night music played in the garden area and we danced till late night. In the camp, I came across a person who was playing the guitar and singing a song and he was just too awesome in his art.

Day:02

The next morning had our breakfast and everybody got ready for rafting, the most exciting activity. Before rafting we all were scared that our boat would sink but it was a thrilling experience when we faced the real power of water in various levels of rapid Also, it felt out of the world, coming down in river Ganga and swimming in the river. We started our rafting journey from Byasi to Shivpuri approx. 16 km.

From Shivpuri we went to Rishikesh due to heavy traffic we left our car and walked around 6 km to Triveni Ghat and fell in love with the place. The sound of flowing water in Ganga and the music of Ganga Aarti at Triveni Ghat was mesmerising. The sound and music evoke love with no words to describe the feeling and peace. We had some Gangajal with us and again came back to our car to return home. While returning, we had dinner and reached home.

Day:03

Back to our work happily hope You enjoyed this journey together.

Thanks

Shiwani Aggrawal & My Finance Team

FACT OF THE MONTH MAY

Labour Day, also known as May Day/International Workers' Day is celebrated worldwide on May 1. The first May Day celebration was organised on May 1, 1923, in Madras (now Chennai) by the Labour Kisan Party of Hindustan. It should be noted that May 1 is also celebrated as 'Maharashtra Day' and 'Gujarat Day' to mark the date in 1960 when the two western states attained statehood after the erstwhile Bombay State was divided on linguistic lines.

Fun Dinner Night – MS Team

"Dinner night with team was a blast and a moment to be cherished! The laughter, camaraderie, and delicious food made it a memorable evening. It's moments like these that remind us why we have such an amazing team. Let's keep the good times rolling both at work and during our next get-together! Cheers to a fantastic team!"

Quote of the month

“

"Engaged employees are in the driver's seat. They know the destination, but they are free to choose their own route and to stop and explore along the way."
